Beet, Citrus and Avocado Salad
From – nytimes.com

4 Tbsp lemon or lime juice
1 tsp cumin seeds, lightly toasted and ground
salt & freshly ground pepper
½ tsp Dijon mustard
1 Tbsp walnut oil
2 Tbsp canola oil
1 bunch beets (about 1 lb), scrubbed and roasted
1 pink grapefruit
1 medium-sized or large ripe but firm avocado, sliced
2 Tbsp slivered fresh basil

• Mix together the lemon or lime juice, ground cumin seeds, salt, pepper and Dijon mustard.
• Whisk in the walnut oil and canola oil.
• Peel the roasted beets and slice or cut in wedges.
• Toss with 2 Tbsp of the dressing.
• Cut away both ends of the grapefruit so that it sits flat on your work surface.
• Cut the skin and pith completely away from the fruit, following the natural curve of the fruit from top to bottom.
• Hold the grapefruit in your hand over a bowl to catch the juice and cut away each segment from between the membranes.
• Arrange the beets in the center of a platter and surround with the grapefruit and avocado slices.
• Drizzle on the remaining dressing and drizzle any grapefruit juice in the bowl over the grapefruit and avocado.
• Sprinkle on the basil and serve.
